- b) To facilitate positive-awareness and sensitise the college community about the rights of the differently able
- c) To facilitate and empower the students to become contributing members of the society.

Measures and Initiatives:

- i. Establishment of a Differently-Able Cell (formally called the Physically Challenged Cell).
- ii. Institutionalizing the annual special scholarship for the differently abled students awarded at the Foundation Day of the College.
- iii. Organizing special programmes related to the differently able and observing the International Day for Persons with Disabilities every year.
- iv. Provisions of disabled-friendly washrooms, ramps, rails.
- v. Aid the students in procuring a Disability Certificate from the Department of Persons with Disabilities, Government of India.
